WELCOME

The Florida Region of Narcotics Anonymous welcomes you to celebrate FRCNA XLIV “The Message is Hope.” We hope you enjoy all aspects of the convention. Registration badges are required in all areas of the convention, workshops, speaker, and entertainment activities. The convention is open to everyone, but only addicts may share during workshops.

- Keep hallway noise down after evening events.
- Sleeping is not permitted in public areas, including the workshop rooms, convention space, hallways, alcoves, and parked cars.
- Parents are solely responsible for their children.
- Fireworks of any type are not permitted.
- NA is under no surveillance at any time; the hotel and venues may be. Please follow all venue rules and regulations.

Disruptive, threatening, or violent conduct will not be tolerated. Anyone who engages in this behavior may be removed from the event, prohibited from attending future FRCNA, Inc. events, and subject to venue trespass enforcement.

SMOKING AND VAPING

The convention facility is smoke-free. Smoking and/or vaping is not permitted anywhere inside the venue and allowed only in designated outdoor smoking areas, in accordance with regulations. Please be considerate of other attendees and hotel guests. *Part II, Chapter 386, Section 386.202 Florida Statutes "INDOOR AIR: Smoking and Vaping."*

FLORIDA REGION SERVICE TRACK(S)

The Florida Regional Service Conference “**FRSC Service Track**” workshops encourage deeper discussion on relevant topics and help build unity in our groups and service structure. Sharing your discussion results with the World Board can also help shape Fellowship-wide resources and services. Everyone is welcome to listen and participate. These workshops are marked **(S)**

REGIONAL & ALTERNATE DELEGATES IDT

The FRSC Regional and Alternate Delegates will facilitate a 90-minute workshop consisting of an IDT (Issue Discussion Topic) generated by the Fellowship in the Conference Agenda. This year’s selection is “Welcoming the Newcomer”. IDT’s are typically participation discussions focusing on recovering addicts in our local NA communities within the Florida Region and around the world.

FELLOWSHIP DEVELOPMENT

The FRSC Fellowship Development Team will facilitate a 90-minute workshop topic and discussion workshop focusing on “Coming Together to Carry the Message” and “Preparation for Area Service”.

CORRECTIONS

Corrections serve as the single point of contact between the state and federal correctional officials and institutions, within the Florida Region, for the purpose of carrying the NA message of recovery to the addict who still suffers behind the walls of state and federal correctional institutions. The [CRC] maintains, facilitates, and develops approved Florida Regional initiatives and projects: Pen Pal Project [PPP], pin number data base for Behind the Walls [BTW], Working the Steps BTW, and collaborate with other coordinators with Bridging the Gap. There are Corrections groups that May participate during FRCNA through phone links via Zoom and "Shout Outs" at the Saturday night Speaker meeting. Be sure to welcome them!

WHY REGISTER FOR THE CONVENTION?

Why register? Registration helps cover the cost of making FRCNA possible, including venue space, out-of-town speakers, entertainment, coffee, merchandise, programs, and registration materials. The venue also requires all participants to register for insurance purposes. No 7th Tradition funds are used to plan or produce FRCNA XLIV. Registration supports the event and helps carry the message to the addict who still suffers. When you register and add a "Newcomer Donation" you help provide a registration for the Newcomer. **If you see a member with a white lanyard, make sure to welcome and give that Newcomer a hug.**

Each incoming Chairperson briefly introduces themselves and continues the meeting already in progress. Topics for discussion may be suggested as needed. The FDM is a closed NA meeting open only to addicts. **This is the only area of the convention venue that does not require a registration badge.**
